Weather-Related Closings

Should weather cause CCA to close for the day, here are a few quick notes:

- The decision will be made by 6:30 am
- Families will receive a RenWeb email—this notification will be sent to all contacts on your RenWeb profile. Please have your profile updated to include anyone who might be supervising your children and would need to know this information.
- Notifications will also be placed on the following places
 - *WJBC 1230 AM
 - *Cities 92.9
 - *WMBD television (usually slower to announce)
- CCA and Unit 5 usually make similar decisions, but not always; please check for CCA in the listing
- Please do not call the school
 - *It is critical that the phone lines be open in emergency situations
 - *The staff will be busy supervising students and monitoring the weather situation
 - *In case of a loss of power, our phone system will be down also

Cold Weather/Elementary Recess

All elementary classes will go outside for recess unless the wind chill is below 20 degrees or precipitation does not allow it. Please make sure your children are dressed appropriately and have appropriate coats, gloves, etc. each school day.

PTO Donation to PE and JH Girls Volleyball Team

Thanks to our wonderful PTO and all who donated time or money at PTO events this year! The PTO recently donated the PE items above and a whole batch of volleyballs to the Girls JH program. If you are interested in being a part of the PTO, contact the school office and we will direct you to a PTO contact.
