MEET MRS. VOLK

My name is Karen Volk. I am so excited to join the faculty of Calvary Christian Academy as the Learning Specialist. I started in education as an Elementary teacher. Soon after, I completed my Master's degree in Elementary Education as well. After my first child was born, I was a stay at home mom for a while. I returned to education, earned my Special Education endorsement and have been in Special Education for the last 8 years in Jr. High at a public school. Last school year, I felt the Lord calling me into Christian education. I am excited for the opportunity to assist our CCA students on a daily basis! I have two adult children. Brancen is 24 and Grace is 20. They are both the joy of my world! The three of us enjoy spending time together going out to dinner or escaping for a weekend getaway. I enjoy reading when I have down time. I am looking forward to a fulfilling and uplifting career with Calvary Christian Academy and pray that the Lord will use me to touch the lives of our students!

TWO BIG EVENTS!

Mark your calendars for two upcoming big events:

1. The annual Jr/Sr Carnival is set for tomorrow Saturday, Sept. 23 from 11:00-2:00. This is an event you will not want to miss! See article on Page 5 for more information.
2. The annual GrandParents' Day program will be on October 13 from 9:00-11:30. Let your student's grandparents know about the event now so that they can come and enjoy at morning at school with their grandchildren. Watch for more details to come.

The school year is off to a great start, and we are excited to see our students grow and learn this school year. Our school's mission is "to partner with parents to develop Christ-centered leaders through the pursuit of academic excellence." Our partnership as we work together is to teach and train our young people to become followers of Christ.

I'm excited to share that CCA has launched a new resource last week for our school and families to use called RightNow Media. It's like the "Netflix of Video Bible Studies" and has a HUGE library of faith-based videos that you can access whenever and wherever you want—on your phone, iPad, computer, or at home on your TV.

Recently, you should have received an official invitation email to give you FREE access to RightNow Media. If you don't receive it, check your mail filter (because it came from RightNow's system, it may have gotten caught there). If you have RenWeb marked to not share your email address, you also did not receive this invitation.
