IOWA ACHIEVEMENT TESTS – NEXT WEEK

Next week, all students K-9th Grades will be taking the annual IOWA Achievement tests. Most test sections will be taken in the mornings--Monday-Thursday. These tests are important tools that CCA uses to plan and evaluate curriculum. It is important that all students strive to do their best, get proper sleep each night, and have a nourishing breakfast each testing day. Please let us know if you have any questions regarding test week. Any students who miss sections due to absences will be asked to take missed sections over the next week of school.

ECLIPSE

Next Monday, Bloomington/Normal will witness between 90-96% (depending on which reports you read) of the solar eclipse. With that CCA will be doing the following:

1. Normal recesses within 3 hours on either side of the totality (@2:04 locally) will be held indoors to protect all of our students eyes from any possible danger from the solar radiation.
2. During the totality, students in Grades 1-12 with completed permission slips will be going outside to view the eclipse. All students will be supervised and required to wear special glasses to shield their eyes from damaging radiation. CCA received a donation of glasses for the elementary students and purchased glasses for the JH and SH students.

Permission slips were sent home today. If your child did not get one or lost/forgot the permission slip, please find one attached to the newsletter email. Please contact the office with any questions.

- Ads are as low as \$10

Willy Wonka and the Chocolate Factory will be performed on May 3 and May 4 in the church Auditorium.
