Jennifer McClintock joins CCA Staff full-time

My name is Jennifer McClintock, and I am the K/3 teacher's aide at CCA. I graduated from Parkland College with an Associate's degree in Child Development. I then completed my student teaching at Parkland's preschool program. After graduating, I moved to Florida. There, I became a K/3 preschool teacher at First Baptist of Orlando. On the weekends, I worked at Disney World's Epcot theme park! My primary goal this year is to help students learn the unconditional love of the Lord. I also enjoy teaching functional skills, and watching the little ones grow their independence as the year goes on! As a family we enjoy traveling, going on walks, watching sports, and having pizza/popcorn movie nights.

Just my Thoughts

With our first Dine to Donate event just around the corner, I thought this would be a good time to repost the article explaining CCA's view on fundraising. We have many groups that will need to fundraise for different events/projects throughout the year. We never want anyone to feel pressure to give.

Senior Class--Junior Class--Dine to Donate--PTO--Food Bank--Student Council--Bake Sales--Snack Shack--and the list could go on and on. CCA does have many groups that from time to time do advertise fundraisers to our families. Please know that we do not expect everyone to be involved in each and every fundraiser that comes along. While there is an attempt to keep these fundraisers from hitting on top of each other, certain times of the year often feel saturated with pleas from every possible corner. I encourage each family to prayerfully consider what God would have them do and then feel confident following His lead in saying yes to some and no to others. No one from CCA is watching who donates and there is no expectation to do so. --Mr. Abney
