Trivia Night

Trivia Night is open to any adult! Come out and enjoy an evening of trivia, food, and CCA music performances. We encourage people to get together with friends and sign up as a team of 8 or less (you may be combined with a smaller team if less). A meal of Chick-fil-A or Flingers cheese pizza and a dessert will be served.

Every year, those who attend CCA's trivia night comment about how they wish more people knew just how fun this evening is!! This is a wonderful time for adults to get together with some friends from the school or even friends that are not affiliated with CCA and form a team of 8 people max. These teams will sit together and compete against other teams in random categories of trivia.

Tickets should be reserved ahead of time by stopping by or calling the school office. 452-7912

Payment may be made in advance or at the door.

Things to Know

Deliveries for Lunch

If your student forgets to order lunch and you need to have food delivered, please do so in person. Food deliveries, including pizza, are notoriously not on time. We don't want to see any student not able to have lunch--in emergencies, the cafeteria is able to provide a PBJ Meal and in some cases a menu meal if extras are available that day.

Question 21

What sort of Redeemer is needed to bring us back to God?
