Winter Weather

Winter weather in central Illinois--one of the most unpredictable things in life! While we know we will have very cold temperatures, predictions on precipitation are rarely if ever guaranteed. Terms like the Bloomington Bubble are becoming commonplace.

But what are CCA's procedures should we actually get snow or ice to the point that school needs to be cancelled? What about ball games and practices should classes be cancelled?

School cancellations will be made by 6:30 am at the latest. Depending on the weather situation, the announcement may come out the night before. Due to having more resources to make the call, CCA normally follows Unit 5 decisions. But that decision is not an automatic one; so please always watch for CCA to be specifically mentioned on cancellation sites.

Should it be determined to cancel, the announcement will be posted on both WJBC and Cities 92.9 (radio) and WMBD (television-typically slower to list Bloomington/Normal schools). The CCA Office will also notify all families and staff via email utilizing the email addresses you have listed in RenWeb. This would be a good time for each family to check and update the email address you have listed in your RenWeb profile. On inclement weather days, it is also wise to check your spam or junk folders--group emails often get lost in those folders. Notifications will also be posted on the CCA Facebook Page.

Bloomington/Normal is also very good about getting streets cleared once the snow stops. Often the reason to cancel school is no longer an issue for ball games and practices. Details for ball games and practices will be stated in the initial cancellation email if known at that time. Any further changes or updates will then be handled and communicated from the coach or AD.

Act Now to Show Support for Female Athletes

Rarely, do we push legislative issues; however, we encourage everyone to read through the article (link below) and contact our U.S. Senators to urge them to put their support behind this bill sponsored by Tommy Tuberville (former Auburn football coach and now a US Senator from Alabama). You can find information about the bill at the link.

Lost & Found

The “Lost” is winning again! Take time to check out the shelving unit in the 200 Hallway and help the “Found” find its way home!

Message Board

The software company that we use to operate our electronic message board has had some difficulties with their software. We are losing some display settings for scheduled slides. Some have displayed on wrong times/days. They are working to resolve the issue quickly. We apologize for any posting errors that have occurred in the past few days.

Illinois Education Expense Receipts

The state of Illinois allows residents to claim qualified education expenses on the Illinois tax return by filing an IL-1040 and attaching Schedule ICR.

To help with the amounts needed, receipts will be going home today. For families in K3, K4 (full-time), and K5-5th, receipts will be in Friday Folders. Receipts for families in K4 (half-day), JH, and HS the tax receipts have been mailed.

If you are in need of a receipt for 2024 After-Care/AM Care expenses, please contact Kera Tackett to request one (309-452-7912).

Question 29

How can we be saved?

Only by faith in Jesus Christ and in his substitutionary atoning death on the cross.
