## Substitute Teachers Needed

This winter, several of our regular substitute teachers have taken permanent jobs. We are looking for some new candidates for substitute teachers. If you know of someone who would make a great substitute teacher for CCA, encourage them to fill out a Substitute Application (there is one attached to this week's email) or navigate to our website and go to "Employment" under the "About Us" tab to see instructions on applying. The CCA Office will then be in touch to set up an interview.

## Illinois Education Expense Receipts

The state of Illinois allows residents to claim qualified education expenses on the Illinois tax return by filing an IL-1040 and attaching Schedule ICR.

To help with the amounts needed, receipts were either put in Friday Folders or mailed last Friday. If you haven't received yours, please contact the school office.

If you are in need of a receipt for 2024 After-Care/AM Care expenses, please contact Kera Tackett to request one (309-452-7912).

The Class of 2025 will be selling Val-O-Grams in honor of Valentine's Day. See the order flyer attached to the email or stop by the office to get a form.

## Update on the Message Board

The software issues are still not resolved yet with our message board. In talking with tech support, the issue has to do with the application communicating with the 3rd-party servers on the cloud and then communicating back to our message board. Most functionality is still working, but the ability to consistently schedule a slide to show up on certain days, accessing the program for quick changes, etc. are hit or miss. We have added the actual day to most slides instead of just saying "Tonight" to help with communication until they have the issue worked out. If you see a slide that looks wrong, it might be and we may not have access to change it at that time. We do apologize for this and thank you for all being patient as we work through these details.
