High School Supply List

High School (Grades 9-12):

- ☐ Student Planner
- ☐ 2 book covers - jumbo size
- ☐ #2 lead penicils, school-year supply (or replace as needed)
- ☐ Ball point pens - blue or black
- ☐ 1 red pen
- ☐ 1 highlighter
- ☐ College-ruled notebook paper, school-year supply (or replace as needed)
- ☐ 1 large container Clorox wipes
- ☐ 3 boxes Kleenex
- ☐ Laptop/IPad/Tablet (See attached "Bring Your Own Device Policy")

High School Course-Specific Supplies:
(Purchase supplies according to your student's class schedule.)

Math

Geometry:

- ☐ 1 geometry compass
- ☐ 1 protractor
- ☐ #2 lead pencils
- ☐ 3 Ring Binder, 1" size
- ☐ 1 package loose-leave paper, college-ruled

Algebra 1, Algebra 2, Business Math, College Math & Statistics:

- ☐ 1 calculator - TI-30XIIS Scientific Calculator (NOT "Multiview")

  Amazon.com : Texas Instruments TI-30XIIS Scientific Calculator, Black with Blue Accents (30XIIS/TBL/1L1/BK) : Office Products
- ☐ #2 lead pencils
- ☐ 1 notebook
- ☐ 3 ring binder, 1" or 1.5" size

Pre-Calculus, Calculus:

- ☐ 1 calculator - TI-83 plus, TI-84 plus, TI-30XIIS as above(NOT "Multiview")
- ☐ 1 college-ruled notebook

Science

For All Science Courses:

- [ ] 1 notebook
- [ ] #2 lead pencils
- [ ] 1 box colored pencils
- [ ] 1 calculator

Physical Science:

- [ ] 1 three ring binder

Anatomy & Physiology

- [ ] 1 three ring binder

English:

- [ ] 1 Spiral notebook, college ruled
- [ ] 1 folder
- [ ] 1 package loose-leaf notebook paper, college ruled
- [ ] Colored pens

Bible:

- [ ] Bible - ESV
- [ ] 1 spiral notebook - one subject size

Social Studies (World History, US History, Geography, Gov/Econ):

- [ ] 1 box colored pencils
- [ ] 1 spiral notebook - one subject size*
- [ ] 1 folder or small three-ring binder

*Students will need 1 notebook for each social studies class on their schedules.

French 1-3:

- [ ] 1 package subject dividers - 5 count
- [ ] 1 three ring binder
- [ ] 1 book cover - jumbo size

Spanish 1-3:

- [ ] 1 college-ruled notebook
- [ ] 1 Merriam-Webster Word-for-Word Spanish/English Dictionary (available on Amazon for $5.50)

PE:

- [ ] 1 pair gym shoes - non-marking
- [ ] PE Uniform - available for purchase through the school. Please label shirt and shorts with student's last name.

Art:

- [ ] 9x12 drawing pad (100 page drawing pad if planning to take multiple art classes through high school)

Choir:

- [ ] 1 three ring binder - 1 inch size, black in color

Bring Your Own Device (BYOD) Usage Policy

PURPOSE

Calvary Christian Academy is committed to creating a 21st century learning environment by providing students with access to technology that will aid them in becoming self-directed learners, collaborative team members, information producers, and information consumers. As part of our continuing effort to provide students with an excellent learning environment, students in the High School are required to bring their own electronic devices to school if they wish to use technology. Students can use their devices to access the school's filtered wireless network (Wi-Fi) for academic purposes.

CONDITIONS OF USE

Access to Calvary Christian Academy's filtered wireless network is for academic and instructional purposes only. The usage of these devices is governed by this agreement and Calvary Christian Academy's Acceptable Use Policy, as noted in the school's Parent/Student Handbook. Upon returning the signed BYOD Policy Agreement, students will be allowed to bring their personally owned, internet aware, electronic device for academic use during the school day. Acceptable electronic devices allowed on campus are:

- Laptops
- iPads/Tablets

(Cell phones, Smartphones, iPods and other devices are not approved "learning tools" for the classroom)

Students are limited to connecting one electronic device to the school's Wi-Fi service during the school day. All BYODs connected to the school's wireless network are subject to the same policies and procedures established for the use of Calvary Christian Academy's owned equipment. Calvary Christian Academy's teachers and staff will not safeguard, service, repair, or maintain any BYOD. Calvary Christian Academy will not be held liable for personal content housed on the device and is not responsible for any physical damage, loss, or theft of any BYOD. Any software residing on the BYOD must not interfere with the normal operation of Calvary Christian Academy's owned network or resources and must be properly licensed. **Students are responsible for taking their device home at the end of each day and returning it to school with a full charge.**

Calvary Christian Academy is not responsible for providing power for charging these devices. Students are responsible for keeping their devices in a secure location when not

in use. Students may not use any device to record, transmit, or post photos or videos of any person at school, at any time, without expressed permission from a school administrator. Students may use their devices to support the instructional activities of the classroom, but they must turn off and/or put away these devices, when requested by a teacher or staff member. **The classroom teacher is the final authority on the use of these devices and how they are permitted to be used in their classroom.** Unless the classroom teacher has specifically authorized the use of personal devices, these devices must remain off and put away. Any use of these devices during non-instructional times must be for academic purposes.

WIRELESS NETWORK ACCESS (Wi-Fi)

Access to Calvary Christian Academy's network is a privilege and not a student right. All students and their parents are required to acknowledge the receipt of the school's BYOD Usage Policy and acknowledge their understanding of all regulations governing the use of the network and shall agree in writing to comply with such regulations and guidelines. For a student to use their personal device to access the internet on campus, they **must** do so by using the school's filtered wireless network connection **(CCALAB password: 9812345678).** The use of private (4G/5G) network access on school grounds is strictly prohibited. Even though students may have access to the internet through their family's internet plan, for their personal device, Calvary Christian Academy would be unable to filter or monitor this type of internet access and would therefore, not be in legal compliance with the Children's Internet Protection Act. Violators may have their device confiscated, their participation in Calvary Christian Academy's BYOD program revoked, and/or be subject to other disciplinary action.

RESTRICTED NETWORK ACTIVITIES

Inappropriate use of the school's network includes:

- Using the network for any illegal purpose
- Gaining unauthorized access to restricted information or resources (network, server, or computer)
- Encrypting communications to avoid security review or network restrictions
- Disabling, bypassing, or attempting to disable any internet filtering device
- Accessing or using proxy bypass sites to access social networking sites
- Intentionally introducing a virus or other harmful instruments to the network
- Posting messages, accessing, or possessing materials that are abusive, obscene, sexually oriented, threatening, harassing, damaging to another's reputation, or illegal
- Streaming music, videos, or other items for non-academic purposes
- Cyberbullying
- Purposefully taking, disseminating, transferring, or sharing abusive, obscene, lewd, sexually oriented, threatening, harassing, damaging to another's reputation, or illegal images or photographs

While Calvary Christian Academy will take every reasonable step to restrict access to all inappropriate materials that can be found on the internet through its filtered wireless network, it is not possible to absolutely prevent all inadvertent inappropriate encounters, therefore students are required to navigate away from any inappropriate websites that they encounter and must report any inadvertent encounters to a teacher or staff member immediately.

CONSEQUENCES FOR INAPPROPRIATE USE

The consequences for violating Calvary Christian Academy's BYOD Policies are at the discretion of the school's administration and may include, but may not be limited to:

- Inspection and/or confiscation of personal device
- Revocation of BYOD privileges
- Suspension from school
- Other disciplinary or legal action, in accordance with applicable laws

Please sign the “Bring Your Own Device Usage Policy Agreement” below. Signed agreements must be turned in to the school office.

Bring Your Own Device (BYOD) Usage Policy Agreement

All students must complete the electronic BYOD agreement form. By signing the agreement, your family is acknowledging the conditions by which students will bring their personal electronic devices to school and how they can access the internet while on campus. Additionally, you agree to follow the policies and procedures outlined in this agreement regarding the use of electronic devices and the usage of the school's Wi-Fi network system.

Key points of the Calvary Christian Academy BYOD Program:

1. The student is solely responsible for keeping their device in their possession or properly securing it.

2. The student is solely responsible for the proper care of their personal device, including all maintenance, repair, replacement, powering of said device, and software updates necessary to effectively use the device.

3. Calvary Christian Academy reserves the right to inspect and/or confiscate personal devices if there is reason to believe that it was used to violate school rules, administrative procedures, or for general misconduct.

4. Violations may result in the loss of privileges to use personal devices at school, and/or disciplinary and legal action, as appropriate.

5. The use of these devices in the classroom is subject to the teacher's discretion.

6. The student may NOT use any device to record, transmit, or post photos or videos of a person at school, at any time, without the expressed permission of a school administrator.

7. Use of these devices is designated for academic purposes only during school hours.

8. All students are required to utilize Calvary Christian Academy's filtered wireless network to access the internet. The use of private (4G/5G) wireless connections is prohibited.
