CALVARY CHRISTIAN ACADEMY

Partnering with Parents to Develop Leaders

6th Grade - 12th Grade Immunization & Health Examination Requirements
2026-2027 School Year

The following is required by the State of Illinois. Please check the requirements for your child's upcoming school year. You can obtain the necessary forms from your doctor, dentist or eye doctor. Contact the school office for religious or medical exemption forms, if applicable.

All records are due in the school office by August 18, 2026, unless otherwise noted below.

- **6th Grade:**
  - Proof of Physical Examination
  - Immunizations
    - Hepatitis B
    - Meningococcal Conjugate Vaccine (MCV4)
  - Dental Examination (must complete within 18 months **before May 15, 2027-**proof must be submitted to the school office **on or before May 15, 2027.)**

- **9th Grade:**
  - Dental Examination (must complete within 18 months **before May 15, 2027** - proof must be submitted to the school office **on or before May 15, 2027**.)

- **12th Grade:**
  - Immunizations
    - Meningococcal Conjugate Vaccine (MCV4)

Sports Physicals: If your son or daughter plans to participate in sports, you must submit proof of a sports physical to the school office prior to the first practice of the chosen sport. Sports physicals are valid for 1 year from the date of the physical.

Please submit physical forms, eye/dental forms and immunization records to the school office or via email to Jennifer McCoskey at jennifer.mccoskey@ccanormal.org.
